Annual General Meeting (followed by a regular meeting)
Wednesday 18th September, 7pm, at school

All welcome

The PTFA organise fun events for the children and fundraise to benefit all children in school - recently we funded an exciting space experience, purchased humanities and reading resources and supplied bikes for our EYFS children...

If you would like to be involved in any way (joining the committee, preparing for events, helping at events, ideas and suggestions...) please do come along or get in touch (via our Facebook page, the school office, or email katie@ufton.net)

Thank you for your support.
